TEXT OF LETTER

STATE 00000563 003 OF 004

¶11. Begin text of the letter:

Dear Mr./Madam Minister: (or other appropriate salutation)

The U.S. State Department will host the Washington International

Renewable Energy Conference (WIREC 2008) in Washington on March 4-6, 2008. WIREC 2008 is the third global ministerial-level event on renewable energy after Bonn in 2004 and Beijing in 2005. WIREC will serve as a global platform for ministers and senior leaders from the private sector, sub-national governments, and civil society to discuss and share information about the benefits of renewable energy, identify best practices and barriers, and consider policy options and measures needed to encourage the rapid development of renewable energy in their countries.

I am pleased to invite (insert name of country) to send an official delegation to WIREC 2008. Approximately 2,000 delegates will participate in the three-day conference at the Washington Convention Center, and we envision participation by U.S. Cabinet secretaries and senior White House officials.

In the spirit of the International Action Program that was agreed to at the Bonn Conference, I am inviting your government to consider making a voluntary national pledge at WIREC to accelerate the deployment of renewable energy in your country. The consolidation of national governments' pledges, as well as pledges from other major stakeholders (sub-national governments, international organizations, the private sector, civil society, and multi-stakeholder partnerships) will be one of the major outcomes of WIREC.

I look forward to your official delegation's active participation in WIREC 2008.

Sincerely,
Condoleezza Rice

End text.
